Join us for the 14th Annual Girlfriend's Tea

Eleanor Roosevelt famously said, "Women are like tea bags. Put them in hot water and they just get stronger." That observation certainly applies to the Cancer Association's annual **Girlfriends' Tea**, which will be held on **Saturday, February 3, 12-4 p.m.** at the Civic Center of Anderson. There will be silent and live auctions, a bake sale and other activities to round out the day. The best way to get in on the fun is to be hostess of a tea table, which you will decorate and provide place settings for, then invite your girlfriends to join **you**. Contact Carrie Binnicker at carrie@caanderson.org or call the office at 864-222-3500.

Please join us in welcoming Ryan Hulon to our CAA Team. A native of Anderson, Ryan comes to us from the Chamber of Commerce. We are also proud to have his military experience as he is a US Army Veteran. His wealth of experience and connections in our community make him a perfect fit in coordinating our Community Outreach especially with local Churches and Schools. If you would like to arrange a speaker for your church group, school or civic organization or find out how you can help us continue to connect CAA with our community, contact or Ryan at Ryan@CAAnderson.org.
